Grades K-2—Wednesday

Turkey Trot / Hawthorn Food Pantry & Clothing Drive

Turkey Trot:

Our 5th Annual Hawthorn Turkey Trot was a huge success again this year. Thankfully the rain stopped about 30 minutes before our 3-5 Trot, so we were able to get both Trot's in that day.

Our students had a great time running with their classmates and teachers. I would like to thank the parents that were able to attend that came and ran with their children. We are already looking forward to next years race!!

Hawthorn Food Panty & Clothing Drive

Coinciding with our Turkey Trot was our Food Pantry and Clothing Drive. Our students and staff brought to school more than 1500 individual non-perishable food items for our Hawthorn families. They also brought in enough clothes to fill approximately 17 tables in our cafeteria. Thank you for all the support you have provided for our families here at Hawthorn. We were able to help more than 30 families in need here at Hawthorn, and the remaining items will be donated to various charitable organizations here in the Northland.

Fitness Night Date Change!!

Due to some scheduling conflicts the district wide Elementary Family PE Night at Lakeview Middle School has been changed from Feb. 9th to Feb. 6th.
